179/19	<p>Cemetery Matters (Including (a) Any Applications for Memorials or Inscriptions; (b) Update on Cemetery Extension):-</p> <p>Update on Cemetery Extension:- Clerk reported she had followed up the whereabouts of the deeds with G & I Chisholm, Stephens & Scown (pre Graham & Graham, Land Registry and Church Diocese.</p> <p>G & I Chisholm confirmed it is possible for a statutory declaration to be sworn stating that the deeds have been lost backed up with an indemnity insurance policy. However, it is has to be shown that the fullest efforts to trace have been made but have been unsuccessful. The Land Registry will be reluctant to register a title on the basis of a statutory declaration if they are not satisfied that a detailed investigation as to the deeds location has been carried out.</p> <p>Stephens and Scown confirmed the land appears to be unregistered with Land Registry, they advised if they can find the deeds in the old records of Graham & Graham and the property has been transferred to the Parish Council they would usually recommend the deeds are registered at the Land Registry. Stephens & Scown have since come back advising they have looked back through and are still reviewing the archive and any further information the Parish may be able to give about the transaction may assist, such as the approximate date of the acquisition or details of the trustees at the time. If the deeds cannot be found an application can still be made although the procedure to apply to register land on the basis of missing deeds is more complicated although the Land Registry will not grant title in every case.</p> <p>Email from Land Registry Office advising if deeds are lost there is a need to make an application for first registration of the title if deeds are lost or destroyed.</p> <p>Clerk reported that Councillor G. Rowe had offered to follow up with his Father to see if they could come back with any relevant information.</p> <p>Church Diocese confirmed they have searched their online filing and paper filing in the office and have not found anything in relation to the Cemetery. They do not believe it was owned by Glebe as the ownership did not seem to continue down as far as the Cemetery on the West side of the road. They could request their archived files back for Roche Glebe but this would take some time and would miss the Parish Council Meeting. Clerk requested information for reference.</p> <p>It was resolved to put into the Land Registry for a new application (Proposed: Councillor J. Wood; Seconded: Councillor B. Higman) Action Clerk</p> <p>Chairman reported on the benches in the Cemetery advising the two new benches on the right hand side are covered in bird droppings and it was agreed that Crystal Clear could clean up Action Clerk</p>	<p>Clerk</p> <p>Clerk</p>
180/19	<p>Minor Repairs/Works in the Parish that may arise:- Clerk reported this would be a good item to include on each agenda for any works that may arise and need action that are unexpected. We have a few jobs that arise from time to time, currently there are the white posts opposite the Playing Fields and we are waiting to hear if they can be painted but no responses have been received.</p>	

	It was resolved to ask if the Parish Council can remove the white posts and plant some small trees in place of them (Proposed: Councillor B. Higman; Seconded: Councillor D. Inch) Action Clerk	Clerk
181/19	<p>A Way Forward for the Roche Tennis Courts Area:- Clerk reported she had not complete the planning application as it was more complicated than originally thought, a lot more information is required and she and Councillor M. Edyvean would compile and complete next Wednesday and submit.</p> <p>Clerk reported the Lease paperwork still had to be signed, she had now liaised with Councillor B. Higman and they are waiting for a response from the Solicitor as to proceed at this stage Action: Clerk</p>	Clerk/ Cllr. M. Edyvean Clerk
182/19	<p>Playing Fields Update (Including (a) Purchase of Large Slide and Safety Matting; (b) Light on Playing Field Hedge):- Clerk reported she had finally heard about the small trampoline and it has been ordered and arrangements have been made for the installation between Wicksteed and MPL Contractors.</p> <p>Purchase of Large Slides and Safety Matting:- It was resolved to purchase the slides and safety matting as per quotation received from Wicksteed as our preferred supplier of equipment (Proposed: Councillor D. Inch; Seconded: Councillor B. Higman) Action: Clerk</p> <p>Light on Playing Field Hedge:- Councillor M. Edyvean reported after discussions he advised we have to pay the invoice as the light is in the ownership of the Parish Council. This is an EN Plan Payment and the invoice has to be paid if working or not. Trees need work before any works can be carried out on light replacement. Quote from Lanhydrock to remove 2 limbs to clear telegraph pole in Park = £150.00 plus vat. Following on from this we can engage SSE Lighting to resolve the light issue and change the EN Plan to ensure the electricity is lower and more efficient. It was resolved to go ahead with relevant works to allow the light to be rectified and delegated powers for electrical work to be carried out with Chairman and Councillor M. Edyvean (Proposed: Councillor B. Higman; Seconded: Councillor Mrs. S. Tippett) Action: Clerk/Councillor M. Edyvean</p>	Clerk Clerk/ Cllr. M. Edyvean
183/19	<p>Roche Public Conveniences (Including Purchase of new Hand Cleaning/Washing/Drying Machine)/Bus Shelters:-</p> <p>Roche Public Conveniences:- Clerk reported she had received concerns the hand machine was not working in the Gents toilets and she had duly followed up with AJH Services, who had confirmed this had gone wrong some time ago and we had got someone out to look at it at that time, although they went away and never came back to repair as they could not get the parts. Following on from this as this is a hygiene matter the Clerk notified Councillors and went out to obtain quotations to replace the machine. See comments below.</p> <p>Purchase of new Hand Cleaning/Washing/Drying Machine:- Clerk reported she was waiting details from Wallgate, the current provider as to whether they could repair or replace. Also in the meantime she had spoken with Jon Underwood, Electrical Contractor who will carry out pat testing and he is hoping to get up to look at it this week. It was resolved to deal with under delegated powers with Chairman and Vice-Chairman (Proposed: Councillor D. Inch; Seconded: Councillor B. Higman) Action: Clerk</p>	Clerk

	<p>Bus Shelters:- Email received from a concerned parishioner in respect of drug users leaving needles in a local Bus Stop Action: Clerk to forward a copy to PCSO Jamie Ward.</p>	Clerk
184/19	<p>Footpath Signs/Matters:- Councillor M. Edyvean reported on emails received from Cormac advising the missing sign has been logged on their system. At the moment, signage is a low priority for them to deal but they are keeping a record of all missing and defective signs in the hope they can put together a big signage package for the area. Footpath 28 – this was inspected at the end of last week, following on from a conversation with Councillor M. Edyvean. The Countryside Officer has walked the length, and at this present time, does not have any concerns with regards to the stability of the bank along here, but will monitor the site. They also spoke with Councillor M. Edyvean over a concrete pipe on footpath 16 eroding. Again, this has been inspected and while it was noted there is some erosion here, again, it is something they will monitor over time. While on site, it was noted that both footpaths 28 and 16 would benefit from being cut. They note that footpath 16 is allocated Silver under LMP and as a result, it is Parish discretion as to whether or not this footpath is cut. They asked if this footpath is cut normally and if not they would be able to allocate some of this year's funding towards giving it a cut. The Countryside Officer felt that if it was cut back, there would be more space to walk around the erosion. With regards to footpath 28 - this is a gold prioritised path which does not appear to be on the Parish Council Schedule to be done. They would like to add this to the schedule to be allocated 2 x cuts per year in the future, obviously the Parish Council would be allocated the money to be able to do this. They are also going to ask if the Parish Council would mind arranging to get this footpath cut this year, they can allocate extra money to be able to do so. If the Parish Council are unable to do this, they asked to be informed so they could arrange for a Work Gang to get the footpath cleared later in the year.</p> <p>Further email received with regards to the gold footpath 28 – Estimate for works – they measured from Trerank Moor House to the junction where footpath 28 meets footpath 16 and have measured it at approximately 323metres. Using the rate allocated to gold footpaths of £131per km, they make this approximately £39 for one cut. They did not include the bit from Trerank Moor House to the road at the Northern end due to this being access to the properties. Obviously this is subject to Cornwall Council agreeing with measurements but they cannot see it differing too much from this. With regards to footpath 16, as there is £48.40 per km for the entire Silver network, they are not able to allocate any extra funds to this as it is at the Parish Council's discretion as to how to spend the Silver allocation. It was resolved to accept this additional funding (Proposed: Councillor B. Higman; Seconded: Councillor P. Jones) Action: Clerk</p> <p>Quote from Lanhydrock to clear footpaths as discussed strimming and chain sawing to give clearance of around foot = £480.00 plus vat. It was resolved to accept this quotation (Proposed: Councillor B. Higman; Seconded: Councillor P. Jones) Action: Clerk</p>	Clerk Clerk
185/19	<p>Working Group Party for the Village - Street/Road Signs in the Village/Parish and general tidy up of the Village/Parish as a whole:- Clerk reported details had been received from Vicky Bundy advising the litter pick went ahead last Sunday morning and there were 8 people including two children. Her Son's Teaching Assistant also came along.</p>	

	<p>They collected about 10 bags and a couple bigger bits and it is in the usual place by the sign at the Roche Football Club.</p> <p>Boat Planter details circulated that had been received from Vicky Bundy.</p> <p>Councillor D. Inch proposed we send a letter of thanks to Vicky Bundy for all her work in the Parish. She is very efficient and takes a lot of care and pride Action: Clerk.</p> <p>Councillor D. Inch reported he still had to meet with the owners of the Fish and Chip Shop Action: Councillor D. Inch.</p> <p>Email received from Brian Chapman who helped with the litter pick expressing concerns in respect of piece of land from the school road into the cricket field. Councillor B. Higman advised the Cricket Club are responsible, although if there was ever a fire in the school this would be the route for them to evacuate the school. It was agreed that Councillor D. Inch would liaise with Lanhydrock Garden Services for some advice and a quotation for carrying out any necessary works and Clerk to respond advising we are investigating Action: Councillor D. Inch/Clerk.</p> <p>Councillor Mrs. I. Northey advised she has been asked if anything can be done about the overgrown weeds, etc., near the Pharmacy. She was asked if the Parish Council could send a letter kindly requesting some clearance Action: Clerk and Councillor D. Inch to liaise by either noting parishioners have been expressing concerns when visiting the Pharmacy and asking whether action can be taken or possibility suggesting a contribution of £100 per year for the Parish Council to clear back as required.</p>	<p>Clerk</p> <p>Cllr. D. Inch</p> <p>Cllr. D. Inch/ Clerk</p> <p>Cllr. D. Inch/ Clerk</p>
