

# ROCHE PARISH COUNCIL

## MINUTES OF THE PARISH COUNCIL MEETING HELD

### IN THE MAIN HALL OF THE ROCHE VICTORY HALL

ON MONDAY, 11<sup>TH</sup> NOVEMBER 2024 AT 6.30PM

Present	Cllr. D. Inch (Chairman)	Mrs. J. Burdon (Parish Clerk)	Cllr. B. Kretowicz (Vice-Chairman)
	Cllr. Mrs. S. Tippet	Cllr. Mrs. A. King	Cllr. G. Rowe
	Cllr. M. Taylor	Cllr. P. Kent	Cllr. M. Edyvean
	Cllr. P. Dunn	Cllr. M. Taylor	Cllr. Mrs. L. Harrison
	Noah Law MP	Rep. Jake Bonetta	6 Member of Public

246/24	<b>Apologies for non-attendance:-</b> Cornwall Councillor P. Guest.	
247/24	<p><b>Public Forum:-</b> Noah Law MP attended as our new MP, along with his representative Jake Bonetta. He had three key pledges on his election campaign, it shapes his focus and also Parliament. Job opportunities in clay country, housing crisis and safety of towns. They will also be looking at Neighbourhood Plans and there is a lot of change with planning. There is a real role for the MP and is happy to meet with all Parish Councils if he can. He wants to make sure peoples voices get heard. He would be happy to take any questions or any particular cases.</p> <p>Chairman asked how he is working alongside Cornwall Councillor P. Guest, he advised there was a sum of money set aside for the new road, which has been taken away and he knows Cornwall Councillor P. Guest is quite vocal on this and we would like our MP's support on this. He mentioned that he has been in contact with Cornwall Councillor P. Guest and it is working well. The metro funding is still in place but costs have inflated, Chairman believes this may be the issue. Councillor M. Taylor reported once traffic is no longer in the village, there is a chance of enhancement and traffic calming, although there is a lot more to it than this.</p> <p>Councillor G. Rowe asked about funding and mid metro. Noah Law reported on spending reviews advising there is not much immediate effect to the funding. It is his job to fight back to achieve any funding that is taken away. He is happy to work with all Councillors at all stripes and not to be here for the Labour Party. He has 5 years to get it right and he will make the best of however long he has and work the best he can. He asked if there were any other SPF projects. Chairman reported on the link road opening and how this would help with our environment, police presence, the park, general house-keeping, re-direction of road sweeping, hedge trimming and how we can work you with better with Cornwall Council. How we can improve our football pitches, skateparks, etc., we find if we invest in the younger generation, we do not have a big anti-social behaviour problem. There is a bigger project in the background. To take out bureaucracy of trying to get things as simple as a dog bin rather than continually chasing. Over the next couple of meetings, we would put together a list of matters we need to be followed up.</p> <p>Councillor Mrs. S. Tippet noted we do not currently have a youth club for the village which would be a big bonus, there is a lack of things for the older children in the village and generally it is the older children that cause damage. Noah mentioned the Youth Hubs and advised there will be funding on this type of project.</p>	

	<p>Chairman thanked Noah Law for attending our meeting this evening and advised the Parish Council will in due course be sending follow ups as required.</p> <p>Two local parishioners attended to talk about the access land at the Beacon near Belowda, currently used as dog walks for the public to pay. The land has an equestrian business close by as well. He has contacted Natural England about the Beacon. Mark Allen also has a similar problem and recently they have had two sheep attacked. Clerk to follow up and copy both parties in and also take up with Noah Law MP <b>Action:</b> Clerk.</p> <p>Two members of the public left at 7.17pm.</p>	<b>Clerk</b>
<b>248/24</b>	<p><b>Representatives from Roche Food Bank:-</b> Three members of public attended from Roche Food Bank introducing themselves, having a huge affection for the village. They are all connected with various organisations within the village, so not surprising the Roche Foodbank is very dear to their hearts. Since its formation in 2013 Roche Foodbank has operated continuously from the old Dennison Centre, then the school house next to the Primary School. These buildings are in a very bad state of disrepair and are needing to be replaced. Unfortunately, after a survey the timescale was brought forward when the school house was condemned evicting the Foodbank for health and safety reasons. The Headteacher continues to be supportive of the Foodbank. After much activity they have managed to rent a Portacabin which has been placed on a disused piece of playground at the front, the location is ideal as it does not encroach on the school, however, it has now caused expense. The new Foodbank has been set up using storage, shelving and equipment from the school and other sources, however, it is not really fit for purpose or big enough and it also needs to hold a considerable amount of weight. The request for funding is for this purpose as the Foodbank is a non-profit making charity and although it is a satellite of St. Austell, Roche needs to stand along financially. This year they have provided food for over 100 adults, 50 children and several furry pets. It is well used and a vital resource for people of our village, helping people in food crisis and can provide emergency food every Friday via a voucher system, it is run by 5 volunteers. The ultimate aim is to raise enough to buy a portacabin of their own and avoid rental costs of £80.00 each month but most pressing is the shelving, storage and tables. Any financial support would be welcomed and they invited Councillors along to visit the Foodbank on a Friday or by prior arrangement.</p> <p>Resolved to contribute the amount for new shelves minus vat as they are able to claim back in the sum of £1,391.90 (Proposed: Councillor Mrs. S. Tippet; Seconded: Councillor Mrs. A. King) <b>Action:</b> Clerk.</p> <p><b>Action:</b> Councillor Mrs. L. Harrison to find out what would actually be good for the Foodbank in the way of a new building and to establish what they are envisaging going forward.</p> <p>Chairman requested an update on a quarterly basis from them, if possible, to keep in touch, which would be lovely, to be able to share good news of what the Foodbank does for local people. Three members of the foodbank left the meeting at 7.30pm.</p>	<b>Clerk</b> <b>Cllr.</b> <b>Mrs. L.</b> <b>Harrison</b>
<b>249/24</b>	<p><b>Members Declaration of Interest on items raised on the Agenda/Requests for Dispensation:-</b> The following Councillors listed declarations in respect of the October minutes circulated for the meeting this evening.:-</p>	

	<p>Councillor Mrs. S. Tippet declared a non-registerable interest under Paragraph 3.5A in respect of the of solar payments made for Roche Pantomime and Roche Carnival Committee and also request under any urgent business this evening from Roche Pantomime Players.</p> <p>Councillor M. Edyvean declared a non-registerable interest under Paragraph 3.5A in respect of the of solar payments made for Roche Carnival Committee, Roche Young Farmers and St. Gomonda's PCC.</p> <p>Councillor D. Inch declared a non-registerable interest under Paragraph 3.5A in respect of the of solar payment made for Roche Victory Hall Trustees.</p> <p>Councillor Mrs. A. King declared a non-registerable interest under Paragraph 3.5A in respect of the of the solar payment made for Clays Crusaders.</p>	
250/24	<p><b>Monthly Cornwall Councillor Report:-</b> Apologies received from Cornwall Councillor P. Guest, report received and circulated as follows:-</p> <ul style="list-style-type: none"> <li>• I would like to start my report with an apology. You will now know that I was unable to attend the Remembrance parade yesterday and will not be able to join you tonight for health reasons. I have always considered Remembrance Sunday to be one of the most important days of the year when we commemorate and remember those who laid down their lives in the defence of this country. You know my background and I especially remember my relatives and those comrades of mine who did not make it home. Thank you so much for laying a wreath on my behalf.</li> <li>• For the next week or so, I will be working from home, so I will still be contactable, normal service will carry on, I am just not able to meet in person.</li> <li>• The bulk of my work since my return from honeymoon has been based in County Hall. Focussing mainly on the Children's and Families area. Within that I was proud that our recent Ofsted inspection that focussed on Children in care went so well. Cornwall Council were rated 'Good' in 3 of the 4 areas of the report and we were rated 'Outstanding' in the final area. Given the budgetary and increased demand pressures put on our Service, I was delighted with this outcome.</li> <li>• Two weeks ago, I attended a conference in Scorrier hosted by Carefree Cornwall, where the theme was the housing crisis faced by young people leaving care and went straight from there back to Truro for a meeting of the Cornwall Youth Council. It was a long old day, but thoroughly worthwhile and rewarding. I do relish the challenge that our young people put to me and their thoughts and insights are both refreshing and innovative. I have also recently visited and worked with Whitehead Ross in Newquay who are doing some wonderful work primarily with 16- to 24-year-olds who are not currently in education, employment or training, (NEETS). They support, coach and mentor these young people with a view to getting them back into the workforce.</li> <li>• Last Thursday, I took my seat as a newly appointed member of the Corporate Parenting Board, which has overall responsibility for children in care and care leavers within Cornwall. The challenges that children leaving foster care and moving into adult independence are many and varied. Our role as Board members is to advocate for them and lobby for change in legislation to support them in this crucial phase of their life. Children's and Families work is rapidly becoming my specialist subject. It is hard and challenging work but can also be so rewarding.</li> <li>• Regarding budgets in general, we have now had the Chancellors Autumn statement. Local authorities as you know are under increasing pressure, with rising demand and costs to all of our services, particularly in the Children's and Adult Social Care sector.</li> </ul>	

	<p>We have been lobbying hard for more realistic (and multi-year) settlements to recognise and help pay for these rising costs and will continue to do so.</p> <ul style="list-style-type: none"> <li>• Currently all we have are the bland headline announcements and the 'Devil in the detail' will come in December. We do not actually know how much we are going to get yet, the Chancellor has only announced figures for the Nation as a whole, but from that we have a fair idea of our split. It is not as bad as we feared, but not as good as we hoped. In order to produce a balanced budget for next year, (which we are required to do by law) we are looking to have to make up a current shortfall of approximately £6.5m. I sit on the Budget Development Committee and we are working hard to try and cover this shortfall. As for the rest of the national budget, I am sure you have heard more than enough and I think you know my thoughts and feelings on how Pensioners and Farmers (to name but 2 groups) have been treated. Sadly, it has just been announced that the subsidy for our water bills is to be removed, this will put more pressure on households who will see their water bills rise.</li> <li>• All this is on top of my regular work, but I must admit that I am slightly behind on local matters, but this will soon be caught up with. One concern in the village and indeed throughout the Division is the effectiveness of the 20mph rollout. I am hoping to sit down with the Officers running the project in the following weeks to see what tweaking is required. Once I have a date, I will be asking you for your thoughts, insights and suggestions on the scheme. On a related matter, I am currently talking to a couple of local horse riders and the campaign group 'Pass wide and slow', they have raised concerns about speeding and inconsiderate drivers that they encounter when they are out and about on horseback, this is an area in which they would like the general public awareness raised through a publicity campaign and some signage. They will be able to offer a different perspective on the traffic situation as a whole.</li> <li>• One piece of good news is that the Bugle Library of Things took delivery of their mobile van last week. Once up and running, it will be used for valuable outreach work in and around our division, eventually building up to serve the whole of the Clay Country. This project (valued at just under £100k) was funded by the Shared Prosperity Fund. The fund has been extended for a year, but again, we are waiting for the details which along with the breakdown of the other figures is due to be announced in December.</li> <li>• This is just a brief overview of what I have been up to recently and as always, I am happy to answer any questions that you may have or go into more detail.</li> </ul> <p>Chairman thanked the Clerk for circulating Cornwall Councillor P. Guest's report.</p>	
251/24	<p><b>Confirmation of the Minutes of the Monthly Meeting held on the 14<sup>th</sup> October 2024:-</b> Resolved the Minutes of the Monthly Meeting held on the 14<sup>th</sup> October 2024 as circulated were confirmed as a true and accurate record and duly signed by the Chairman (Proposed: Councillor Mrs. S. 270/24	<b>To arrange any Sub-Committee Meetings required:-</b> None.	
271/24	<p><b>Any Urgent Matters the Chairman considers relevant for this meeting:-</b> Chairman reported on request received from Roche Pantomime Players – Email received today to establish whether there are any funds available for purchasing new tools and equipment for our stage crew from the Parish Council, via a small grant. They have recently purchased a new container, which needs to be fitted out with cordless tools and storage systems for the stage crew to move forwards with stage builds and props for our forthcoming and future pantomimes. This year they will be performing Cinderella (February half term 2025). The items need to be cordless, as there is no power currently to the containers, and this would allow the crew to use the container as a workshop. Additionally, the stage crew require solar lighting, to see whilst using the container. This additional cost is £132.31. They identified £499.92 worth of tools and storage system as required and listed. They have requested help with funding from the Cornwall Councillors Chest towards purchasing tools and storage solutions for the new container and have been awarded £250.00, but still require items for the stage crew in the sum of £382.23. Resolved to grant a sum of £382.23 (Proposed: Councillor B. Kretowicz; Seconded: Councillor Mrs. A. King) All in Favour <b>Action:</b> Clerk.</p>	<b>Clerk</b>
