

Message from Chairman of Roche Parish Council – Councillor Dan Inch

As representatives of the residents of Roche, The Parish Council would like say on behalf of the community “THANK YOU”.

Thank you to all the frontline Troops, the Doctors, Nurses, Care Workers, the Paramedics and Ambulance staff.

Thank you to the logistics operators. The cleaners, the drivers, those working hard to keep the frontline staff safe and supplied.

Thank you to the supporters. Our farmers, food processors, shop workers and all of the Key Workers helping to making our lives safer.

But I would also want to say a special thank you to all of the unsung heroes in our Parish of Roche. As we all walk around the village we are seeing and hearing about the personal acts of kindness and of all the people who are going the extra mile to help each other.

As a small community, it is great to see neighbours helping each other and how the Thursday night “show of appreciation by clapping on our doorsteps” has allowed us all to be more social with the people around us, whilst ensuring that we all social distance.

Thank you to everyone, especially to those who feel that they have done very little other than to 'stay at home' for without your contribution there may have been many sad families in Roche.

If you agree with these sentiments then may we suggest that you put a picture of Roche Rock with a rainbow over it in your window, showing the community that we in Roche are all saying thank you.

Let's continue to Stay Safe and support each other in any way that we can, hopefully in the not too distant future we will be able to come together again as a community and enjoy sharing all those advantages that we enjoy of living in a very special village.

Thank you, Dan on behalf of Roche Parish Council
